

## Pro Fit® Wired Windows® 8 Mouse

K72323WW

### Product Description

With Windows 8, users have a huge array of options when it comes to getting the most out of their operating system, combining touchscreen and keyboard like no other. The Pro Fit® Wired Windows® 8 Mouse features a multi-function gesture button that lets you perform six specific actions that typically are accomplished with a finger swipe. The mouse has a high-definition 1800 DPI sensor that optically tracks your hand movements for precision control. With two buttons and a scroll wheel, the comfortable, mobile design of the mouse is great for either right-handers or left-handers and offers Plug & Play installation so you can get up and running quickly.

### Features

- Multi-function gesture button allows you to perform a wide range of tasks specific to Windows 8
- 1800 DPI laser sensor provides high-definition tracking for enhanced performance
- Comfortable two-button, scroll wheel design is ideal for either right-handed or left-handed users
- Plug & Play installation so you can be up and scrolling fast
