

PopCharge Home

NEMA 5-15, Two-Prong USB Wall Charger with Two Ports

Part No.: **101738**

Keep Your Portable Devices Fully Powered.

USB portable electronics place heavy demands on their batteries for power, but the Manhattan PopCharge Home can help keep your tablets, mobile phones, digital cameras and other devices charged and ready to go. The PopCharge Home plugs into any standard wall outlet and offers rapid charging for your portable devices via two USB charging ports (1 amp per port when two devices are charging; 2.1 amps when one device is charging). Advanced built-in circuitry helps avoid overcharging and short-circuiting that can damage and reduce the life of batteries and devices. Plus, a bright LED tells you when your device is fully charged and ready to use.

Features:

- Plug-in USB wall charger for tablets, mobile phones and other portable devices
- Features two USB charging ports
- Charges at 1 amp per port when two devices are charging or 2.1 amps when one device is charging
- Advanced circuitry helps prevent overcharging and short-circuiting
- Sturdy, compact and lightweight for travel
- Lifetime Warranty

Specifications:

General

- Connectors: input, NEMA 5-15 2-prong male; output, USB type-A female (2)
- Input voltage: input, 110 – 220 VAC, 50/60 Hz
- Output voltage: 5 VDC, 1A / 2.1A
- LED status indicator
- Some devices may require charging cables (not included)

Physical

- Dimensions: 75 x 55 x 33 mm (2.9 x 2.2 x 1.3 in.)
- Weight: 55 g (1.9 oz.)
