

HIGH CAPACITY COMPACT PORTABLE BDXL Blu-ray™ WRITER

Buffalo's MediaStation™ Portable BDXL Blu-ray™ Writer BRXL-PT6U2VB offers high-capacity disc writing with fast Blu-ray read and write speeds in a small, portable package. It offers optimal burning and playback performance of Blu-ray discs, DVDs and CDs on laptops and netbooks and features BDXL support for writing to high capacity Blu-ray discs and M-DISC™ support for longer life recordings. Powered by USB, BRXL-PT6U2VB integrates two USB cables, including one for data transfers and second power boost USB cable to supply extra power to the unit when necessary, increasing reliability during use. Included with MediaStation BRXL-PT6U2VB is the CyberLink™ Media Suite which offers rich Blu-ray and DVD burning and playback tools. Additionally, support for DVD upscaling allows for standard definition DVDs to be viewed and re-recorded in new HD quality. Its slim design fits easily inside a laptop or netbook bag, for a perfect portable companion for any mobile computer.

FEATURES

M-DISC™ SUPPORT

The MediaStation BRXL-PT6U2VB now offers M-DISC support to ensure your files last a lifetime. M-DISC recordings are resistant to light, temperature and humidity and have been proven to last 1,000 years.

INTEGRATED USB CABLES

BRXL-PT6U2VB features two integrated USB cables that neatly wrap around and snap to the unit for mess-free mobility. Connect one cable for power and data transfer and use the second power boost cable when additional power is required.

BDXL SUPPORT

The MediaStation BRXL-PT6U2VB features BDXL support for writing to high capacity Blu-ray discs. Write up to 128 GB of data to a single four layer disc compared to 25 GB on a traditional single layer Blu-ray disc.

VIDEO UPSCALING

MediaStation Portable BDXL Blu-ray Writer supports DVD upscaling allowing you to upscale your DVD content to near HD quality. Easily make your home videos look like they were recorded in HD!

COMPACT AND USB BUS POWERED

Ideal for laptop and netbook computers, Buffalo's MediaStation Portable BDXL Blu-ray Writer offers fast Blu-ray read and write speeds in a small, lightweight and stylish portable package. Powered by USB, it offers optimal burning and playback performance of Blu-ray discs, DVDs and CDs while on the go.

CYBERLINK MEDIA SUITE

Ideal for users seeking the best playback and burning performance of Blu-ray discs, DVDs or CDs on their PCs, the BRXL-PT6U2VB comes bundled with the Blu-ray 3D Ready CyberLink Media Suite for Windows®. Transform DVD movies in 3D and experience HD quality Blu-ray™ 3D playback.

- * CyberLink PowerDVD 12
- * CyberLink PowerDirector 10
- * CyberLink MediaShow 6
- * CyberLink Power2Go 8
- * CyberLink PhotoDirector 4 LE
- * CyberLink PowerBackup 2.5

* The bundled CyberLink™ software suite is supported on Windows® PCs only. Apple® and Mac OS® do not natively support Blu-ray™ with drivers or software. In order to use the Blu-ray™ hardware functionality on Mac®, a third-party software such as Final Touch™ Pro or Roxio® Toast Titanium is required. Mac systems natively support the CD/DVD portion of this product.
