

16-Port AC Chromebook Charging Station (Black)

MODEL NUMBER: **CS16AC**

Description

From education to business, in settings as diverse as the hospital room and the factory floor, mobile devices have transformed every organization. As Chromebook usage increases, charging and storing dozens of these valuable devices in limited space becomes a challenge and an even bigger security risk. Tripp Lite's Chromebook Charging Stations put an end to cable sprawl and missing assets. Each station houses 16 Chromebooks while providing high-speed charging, secure storage and flexible deployment in a variety of settings.

Features

- Removable/reconfigurable dividers protect and organize each Chromebook
- Sturdy steel construction securely houses the devices
- Mounts to wall or deploys on a desk, counter or floor
- Trim panels conceal AC adapters and cords
- Optional CSHANDLEKIT (handle, rolling casters, hardware) allows for cabinet stacking and can turn the cabinets into mobile carts
- Device support shelf is Teflon® coated to protect Chromebooks from scratches during removal and storage
- Flow-through ventilation prevents devices from overheating
- Ships fully assembled

Highlights

- Secure and organize up to 16 Chromebooks
- Provide high-speed charging with built-in AC outlets for every device
- Locking steel doors and side panels prevent theft and tampering
- Ships fully assembled

Package Includes

- (1) Charging station cabinet
- (1) Device shelf
- (15) Removable device dividers
- (1) 16-port AC charging module
- (3) Trim Panels
- (1) 15 ft. AC power cord
