

# DXC4C47W1 - Hoover 7kg Washing Machine - White

The Hoover Dynamic DXC4C47W1 7kg washing machine looks outstanding, with attention to detail given to every aspect. Awarded an A+ energy rating this washing machine is extremely energy efficient and "A" rated in wash performance and "A" in spin, this washing machine is great for saving you money on your bills as well as excellent at taking care of your clothes.

With a spin speed of 1400rpm and a capacity of 7kg, the DXC4C47W1 soon gets through your washing basket. The DXC4C47W1 uses intelligent sensor technology, to weigh the laundry during the first 4 minutes of the cycle, then adjust the cycle time, water and electricity consumption to suit the size of the load.
