

Unos

Goes Great with Work.®

h®
HPFI

The **Unos** collection is constructed with extra-sturdy frames. Transitional style scalloped arms/legs are 1.75" thick solid hardwood. Steel cross braces provide solid construction with a weight capacity of 350 lb. per unit. Bariatric width chairs also include steel cross braces in the back and offer a standard weight capacity of 500 lb with 750 lb and 1,000 lb options.

904 chairs can be ordered ganged up to four seats with one arm between seats.

Design Details

- Separate seats and backs for easy clean-out on all units (except 905)
- Steel reinforced seat frames
- Backs have hook and loop fasteners for easy field replacement
- Seats are field replaceable
- Wall-saver leg design (except 905)
- Adjustable floor glides
