AVerCharge S40i
40 Device Intelligent Charging Cart

Load with Ease
S40i’s two easy-access sliding shelves hold up to 40 laptops, Chromebooks, netbooks, iPads, and Android/Windows tablets (devices up to 14” screens).

Easy Cable Management
S40i provides individual AC adapter compartments and cable clips to prevent any cable mess. Device slots are also individually numbered to keep cable routing and devices organized.

Intelligent Charging System
S40i monitors all 40 devices in groups of 10 and determines the best charging sequence: all device groups at once, or each group individually. No programming required – it’s automatic, safe, and efficient!

We’ve got your back
With AVer, you not only get a superior solution, but you are backed by dedicated technical and customer support teams, plus America’s best cart warranty: 10-year mechanical and 5-year electrical warranties.

Safe, Secure, Durable
With three-point steel locking mechanisms built into its cabinet doors, S40i provides a safe haven for your devices when they are being charged or stored.

Dependable, Versatile, Maneuverable
The charging cart’s large capacity, steel construction, and smooth-rolling, 5” medical-grade locking swivel castors provide a rugged, yet easily maneuverable storage cart that can double as a teaching platform!
