

## BlackBelt 2nd Degree Rugged Case for iPad mini — Black

Extreme Tablet Protection That's Easy to Hold

K97372US

### Product Description

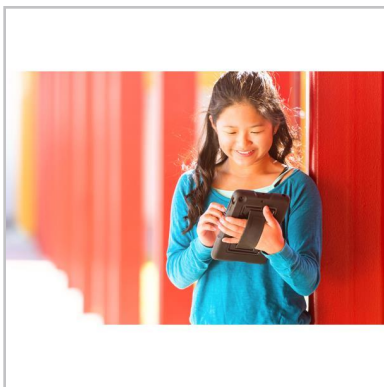

Whether it's the classroom, conference room or family room, the iPad has revolutionized how people find and share information. To protect that investment, we developed the BlackBelt 2nd Degree Rugged Case and designed it to meet military-grade testing. By surrounding your iPad mini in a strong, cushioned layer of rubber, it provides protection against drops and bumps. The best way to keep your tablet safe is to prevent drops, so the BlackBelt 2nd Degree features a hand strap that makes your iPad mini easy to hold, especially when you're standing. The BlackBelt also has a built-in, multi-position stand that lets you work, or play, hands-free. A raised bezel and screen protector help prevent scratches and since sliding off a table is just as dangerous as falling out of your hand, the BlackBelt 2nd Degree's rubber construction offers great surface grip.

### Features

- Strong, cushioned rubber layer over a polycarbonate X-frame is designed to meet military-grade MIL-STD-810G testing protocols for all-around protection against drops and scratches
- Built-in hand strap reduces chances of accidental drops
- Multi-position stand for optimized viewing
- Raised bezel and screen protector prevent scratches
- Rubberized texture makes it easy to grip and prevents it from sliding off table
- 20mm thickness fits into Charging Carts
- Unobstructed port openings for easy access to controls, cameras and connectors
