

Universal Foldable Keyboard

Version Information																																
Product Name	Microsoft® Universal Foldable Keyboard																															
Product Version	Microsoft Universal Foldable Keyboard																															
Keyboard Version	Microsoft Universal Foldable Keyboard																															
Product Dimensions																																
Keyboard Length (open)	9.53 inches (295 millimeters)																															
Keyboard Length (closed)	5.75 inches (146 millimeters)																															
Keyboard Width	4.29 inches (125 millimeters)																															
Keyboard Depth/Height	0.47 inches (5.30 millimeters)																															
Keyboard Depth/Height (closed)	0.94 inches (10.5 millimeters)																															
Keyboard Weight	6.34 ounces (180 grams) includes 3.7V 165mAh Lithium battery																															
Compatibility and Localization																																
Interface	Bluetooth 4.0 Compatible																															
Operating Systems ¹	<ul style="list-style-type: none">• Microsoft Windows® 10 / 8.1 / 8 and Windows Phone 10 / 8.1 Update 2• Apple iOS v7-8.1• Android 4.4.2-5.0 ¹ Advanced functionality not available with all devices and/or operating systems. See compatibility information at: www.microsoft.com/hardware/compatibility .																															
Top-line System Requirements	Requires a PC that meets the requirements for and has installed one of these operating systems: <ul style="list-style-type: none">• Microsoft Windows® 10 / 8.1 / 8 or Windows Phone 10 / 8.1 Update 2• Apple iOS v7-8.1• Android 4.4.2-5.0																															
Compatibility Logos	<ul style="list-style-type: none">• Designed for Microsoft Windows tablets, iPad, and iPhone ² ² Works with tablets and smartphones that have Bluetooth® HID (Human Interface Device) keyboard support. See compatibility information at: microsoft.com/hardware/compatibility																															
Keyboard Localization	Available language sets will vary by product and sales channel. 76 key configuration: Chinese (Simplified), Chinese (Traditional), English (NA), International English (Euro), and International English (ROW) 77 key configuration: All Nordic, English (UK), French (Canada), French (France), German (Germany), Italian, Spanish (Euro), and Spanish (Latam) 80 key configuration: Japanese																															
Wireless Technology																																
Wireless Frequency	Bluetooth 4.0																															
Wireless Range	10 meters (33 feet) typical. Note: RF range is affected by many factors, such as nearby metallic objects and relative positioning of the mouse and receiver.																															
Pairing	Pair with up to 2 devices																															
Product Feature Performance																																
QWERTY Key Life	5,000,000 actuations per key																															
Hot Key Features	Device 1, Device 2, Lock, Search, Mute, Volume +, Volume -, Play/Pause, Previous Track, and Next Track																															
Hot Key Life	500,000 actuations per key

Function Key Features	Windows mode <ul style="list-style-type: none">• F1-F12 keys and Del behavior will work when it is pressed with the "Fn" key. iOS & Android mode <ul style="list-style-type: none">• Del keys behavior will work only when it is pressed with the "Fn" key.																															
Typing Speed	1000 characters per minute																															
Storage Temperature & Humidity	-40 °F (-40 °C) to 140 °F (60 °C) at < 5% to 65% relative humidity (non-condensing)																															
Operating Temperature & Humidity	32 °F (0 °C) to 104 °F (40 °C) at <5% to 80% relative humidity (non-condensing)																															
Power Requirements																																
Battery Type and Quantity	Rechargeable 3.7V 165mAh (min.) Lithium battery																															
Battery Life	3 months typical																															
Recharging	USB charging cable, included																															
Certification Information																																
Country of Manufacture	People's Republic of China (PRC)																															
ISO 9001 Qualified Manufacturer	Yes																															
ISO 14001 Qualified Manufacturer	Yes																															
Restriction on Hazardous Substances	This device complies with all applicable worldwide regulations and restrictions including, but not limited to: EU directive 2002/95/EC on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment and EU Registration Evaluation and Authorization of Chemicals (REACH) regulation regarding Substances of Very High Concern.																															
FCC/IC ID	This Class B digital apparatus complies with Part 15 of the U.S. Federal Communications Commission (FCC) rules, Canadian ICES-003, and RSS-210. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Tested to comply with FCC (U.S. Federal Communications Commission) Standards. For home or office use. The term "IC:" before the certification/registration number only signifies that the Industry Canada technical specifications were met. Model number: 1695, Universal Foldable Keyboard. FCC ID: C3K1695. IC ID 3048A-1695.
