

HP ProDisplay P222c 21.5-inch Video Conferencing Monitor

Affordably connect and collaborate from the comfort of your desk with the HD webcam, microphone, and speakers built right into the communication-enhanced HP ProDisplay P222c 21.5-inch Video Conferencing Monitor, which is Certified for Skype for Business.¹

Connect across the room or across the world.

- Conference with co-workers and clients in real-time with an HD webcam and microphone plus dual-speaker premium stereo sound that connects digitally over USB and meets Microsoft audio specifications to be Certified for Skype for Business.¹

Don't miss a thing.

- See and share every detail from almost anywhere in the room. Get an ample 21.5-inch diagonal Full HD screen, 178-degree viewing angles, and solid 3000:1 color contrast ratio.²

The display is just the beginning.

- Customize a complete collaboration solution with an HP headset, speaker phone or keyboard designed to maximize the latest communication technologies.³

Create an efficient, easy-to-use communications hub.

- Attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind the display.⁴ Keep things tidy with an integrated power supply and cable management features.
- Use the communication-enhanced hot keys to control call¹ settings such as volume and mute right at the display.
- Connect to your accessories or add a projector or second display with convenient audio, USB, DisplayPort, and VGA connectors.
- Reduce power consumption and help lower your costs with an energy-efficient design.
- Free up valuable space on your desk or in a conference room—the integrated 100-mm VESA pattern supports wall or HP Single Monitor Arm mounting with the HP Quick Release Bracket.^{3,5}
- Have a one-on-one meeting or set up a virtual conference room on the fly with HP MyRoom.⁶
- Design the screen for how you work with HP Display Assistant software.
- Get world-class service and support, and extend your protection with optional HP Care Packs.⁷

Accessories and services (not included)

HP Adjustable Dual Display Stand

The HP Adjustable Dual Display Stand allows you to use two displays to maximize your productivity and optimize efficiency. Either or both displays can be rotated to landscape or portrait orientation, and the stand is depth-, height-, tilt-, and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW664AA

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product number: BT861AA

HP Dual Output USB Graphics Adapter

Increase screen real estate and productivity with a dual-monitor setup with the HP Dual Output USB Graphics Adapter, featuring DVI-I and DisplayPort outputs to drive displays at high resolutions through a single USB 3.0 B connection to your PC.

Product number: C5U89AA

HP Quick Release Bracket

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP UC Wired Headset

Enable crystal-clear sound and noise cancelling for meeting on-the-fly through your Windows notebook or tablet with the durable and lightweight HP UC Wired Headset, designed for a comfortable work day.¹²

Product number: K7V17AA

HP Conferencing Keyboard

Drive your Microsoft Lync voice and video calls directly from your HP Conferencing Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys¹.

Product number: K8P74AA

HP 4 year Next business day Exchange Standard Monitor Service

HP Hardware Support Exchange Service offers a reliable and fast exchange service for eligible HP products. Specifically targeted at products that can easily be shipped and on which customers may easily restore data from backup files, HP Hardware Support Exchange Service is a cost-efficient but still convenient alternative to onsite support.

HP Hardware Support Exchange Service provides a replacement product or part to be delivered free of freight charges to your location within a specified period of time. Replacement products or parts are new or equivalent to new in performance.

Product number: U0J10E
