

Lenovo® recommends Windows.

lenovo® **FOR**
THOSE
WHO DO.

THINKCENTRE® M79 DESKTOP

A POWERHOUSE FOR PUBLIC SECTOR AND LARGE ENTERPRISE.
HIGHLY SECURE. EASY TO MANAGE. POWERFUL PERFORMANCE.

Power up the ThinkCentre® M79 Mini Tower or Small Form Factor (SFF) Desktop remotely using the DASH 1.1 Remote Power Control and experience a superior business desktop. Designed with the Public Sector in mind, M79 delivers superior manageability, robust reliability, unique security features combined with the enhanced performance of the latest AMD Kaveri APU and compliance with environmental norms.

WHY BUY THE
THINKCENTRE®
M79?

1 POWERFUL PERFORMANCE

The latest AMD Kaveri APU delivers up to 13% faster performance and up to 50% enhanced GFX (graphics) performance¹.

2 SUPERIOR MANAGEABILITY

Dash 1.1 Remote Management software gives you remote power control and robust, secure out-of-band management.

3 ENHANCED SECURITY

Lenovo-exclusive Smart USB Protection ensures USB ports are available for a keyboard and mouse, yet blocks unauthorized USB data copying. TPM 1.2 / Asset ID ensures data is safe and secure.

4 GREEN LEADERSHIP

The latest Desktop Power Manager provides real-time power consumption detection. Certifications include ENERGY STAR 6.0, EPEAT® Gold and others.

5 LEGACY AWARENESS

Native PCI slot ensures a great fit with legacy devices and Windows is available to save the expense of an upgrade.

WHO
NEEDS THE
THINKCENTRE®
M79?

1 Organizations with extremely sensitive data or critical need for data security.

2 Public sector organizations concerned about compatibility issues and upgrade costs.

3 Organizations that place a premium on desktops with superior performance and manageability.

4 Public sector organizations that need a high-performance, secure desktop with large storage capacity.

Lenovo® recommends Windows.

LENOVO SERVICES

Lenovo® offers a comprehensive portfolio of services to support and protect your ThinkCentre® investment. Focus on your customers and business, not your IT.

PRIORITY TECHNICAL SUPPORT*

Makes your priority, our priority.
 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and rapid response and resolution.

* Not available in all regions

WARRANTY UPGRADES - ONSITE NEXT BUSINESS DAY + TECHNICIAN INSTALLATION OF CUSTOMER REPLACEABLE UNIT PARTS

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place. Frees your IT staff from installing all internal parts so that they have more time to deal with mission critical business.

WARRANTY EXTENSIONS

(UP TO 5 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure. KYD applies to all drives within multi hard disk/SSD systems.

WHY THINKCENTRE®?

- 1 Lowest failure rates in the industry*** - High-quality materials, exceptional engineering and 2000+ quality tests keep your data safe.
- 2 Power-packed to let you do more** - Feature-rich offerings for enhanced performance, collaboration, security and manageability.
- 3 Car-hood serviceability** - Tool-less entry shortens repair time and end user downtime.
- 4 Save money and the environment** - Use the highest % of recycled materials and save up to 70% on power bills.
- 5 Innovation in many forms** - From the smallest commercial desktop (Tiny), cool and quiet towers and ultra-small desktops to stylish touch-enabled all-in-ones, there's a ThinkCentre for every need.
