

14" Bex II Laptop Sleeve

TSS878

Overview

Protect your laptop on the go with the lightweight, colorful 14" Bex II laptop sleeve. On its own or slipped into another bag, this sturdy sleeve combines weather-resistant rip-stop fabric, soft polyurethane, and sturdy padding to cushion your laptop from surface damage and dings. A roomy front cargo pocket with zippered closure stows your charger, earbuds or other accessories. Reflective accents keep you visible as you transport your laptop across campus or in parking lots.

Features

- Weather-resistant rip-stop fabric and sturdy padding combine with reinforced soft polyurethane bottom panel and corners to cushion your laptop from surface damage.
- A roomy front cargo pocket with padded lining keeps your charger, cables, earbuds or other accessories with your laptop.
- Bright yellow zipper and yellow-corded gray polycarbonate zipper pulls add casual style to this top loading gray sleeve, while reflective accents ensure you stay visible on the go.
