

# 15.6" CityGear II Topload Case

TCG465

## Overview

The 15.6" CityGear II Topload Case keeps multiple devices and all your gear close at hand. Smartly designed with the patented DOME Shock Dispersion System, it protects your laptop screen from damage due to shocks and bumps—up to 5x more protection for today's thinner devices. Two main compartments—one that is exclusively for your laptop, another for your tablet, other devices, and accessories—make this case TSA checkpoint friendly. Just unzip to lay the bag flat for a quick, secure trip through airport screenings; no need to remove your laptop. A front access workstation provides organized space for other devices, supplies and chargers. With professional good looks, convenient features and protective details, the CityGear II Topload Case fits the way you work.

## Features

- Separate laptop compartment with exclusive DOME Shock Dispersion safeguards your screen from weight and pressure. Up to 5x more protection than foam alone
- Dedicated laptop compartment ensures you don't need to remove your laptop. Case unzips to lay flat for quick trips through airport screening
- Softly lined, dedicated tablet compartment with hook and loop closure keeps your tablet safe from scratches and dings
- Front zippered workstation secures and organizes other devices and supplies, additional soft-lined stash pocket keeps small items handy; document pocket holds travel docs
- Pass-through trolley strap slips onto roller bags for convenient travel. Grab the comfort-grip handle or attach the padded shoulder strap for hands-free transport. Made from lightweight, weather resistant materials plus a reinforced bottom panel.
