## VIRTUAL 7.1 CHANNEL GAMING HEADSET

GX gaming now releases its new generation 7.1 channel gaming headset - Junceus. With a 7.1 channel surround sound system, you can hear incoming enemy footsteps and avoid being killed. This headset is the almighty weapon you should have for any battlefield.

The 40mm neodymium driver offers you stereo-grade sound effects. The cushioned ear cups allow you to wear it all day long, without feeling any discomfort. You can adjust the flexible microphone to any voice position. The inner headband of the Junceus makes a perfect fit for your head. In addition, the LED Lighting creates a more exciting gaming experience. All the Junceus features intensify your gaming sensation and totally absorb you in the gaming world.
