

# MICROSOFT SURFACE™ PRO 4

## BUSINESS CASE

Designed with a premium leather finish, our Aegis Series Signature Edition cases offer modern style with a professional feel. This sleek look combines with a durable structure to provide optimum device protection, whether at work or at home.

### ● Stylus Slot

- The case features a designated slot for storing the Surface Pen.

### ● Easy Installation

- The simple snap-on installation makes it easy to assemble onto your device.

**4FT DROP  
PROTECTION**

### □ Premium Materials

- The premium leather finish and durable construction provide a comfortable, elegant feel.

### □ Inner Lining

- The soft micro-fiber inner lining helps protect the device from scratches.

### ● Media Stand

- The pull-out media stand allows the device to be positioned in the optimal viewing angle.

### ● Magnetic Closure

- A magnet in the stand keeps the stand closed when not in use.

### ● Audio and Charging Ports

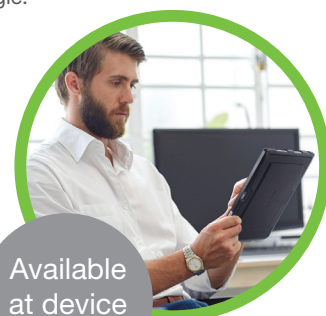

- The openings in the case make it easy to access the device.

### ● Keyboard Compatible

- Fully compatible with the Surface Type Cover keyboard.

### ● Stand Support

- A nylon media stand support strap keeps the device steady for viewing.

Available  
at device  
launch.
