

Data sheet

# HP L5015tm Touch Monitor

Add a little touch to your business.

(M1F94AA)

Complete your desktop solution with the HP L5015tm Touch Monitor, a durable, interactive touchscreen display in a sleek, thin form factor that integrates easily into your point of sale (POS), hospitality, educational, banking, manufacturing, and kiosk environments.

#### **Slim, compact design**

Deploy the monitor wherever you need an interactive solution. The small, thin footprint fits in a range of settings, and the stand can be removed for wall-mount setups.<sup>1</sup> Save space and money by eliminating the need for a separate keyboard and mouse.

#### **Efficient, durable touch**

Interact with the screen with a pen, credit card, finger or fingernail. The Acoustic Pulse Recognition (APR) technology identifies screen taps by sound. The sturdy design is a damage-resistant alternative to earlier film-coated display screens.

#### **Ample visuals**

Keep working with your familiar, established, business-specific applications on the 15-inch diagonal screen that has a 1024 x 768 native resolution<sup>2</sup> and familiar 4:3 aspect ratio.

#### **Global reassurance**

Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard limited warranties, select optional HP Care Pack Services.<sup>3</sup>

## HP L5015tm Touch Monitor

### Specifications

<b>Part number</b>	M1F94AA
