- Smooth water flow prevents splashing.
- 3 Water-Flow Settings:
  - Filtered water
  - Unfiltered water stream
  - Unfiltered water spray
- Warranty: Faucet Mount - 2-Year Limited, Filter - 30-Day Limited

NSF Certified and BPA-Free, the Verbatim Faucet Mount Filtration System with LCD Display allows you to quickly and easily switch between filtered and unfiltered water as needed. All Verbatim Water Filtration Products feature unique hollow-fiber membrane filtration technology. Developed by Mitsubishi Rayon, the hollow-fiber membrane works in combination with activated carbon to remove contaminants, including a 99.99% reduction of cysts and a greater than 99% reduction of turbidity\*, while allowing beneficial minerals to remain in your water. The Verbatim Faucet Mount Filtration System with LCD Display has 3-water flow settings, and features a sleek, streamlined design. The activated carbon reduces the odor and taste of chlorine, so you get crisp, refreshing, great-tasting water. Our high-capacity filter has over 2X the capacity of leading faucet mount filters and can be changed in seconds. An LCD display, integrated into the faucet mount system, counts down until the filter needs to be changed - no more guessing! The Verbatim Faucet Mount Filtration System is backed by a Verbatim 2-Year Limited Warranty. \*\*

\* According to NSF53 Testing

\*\* Does not apply to filter. Filter features a 30-Day Limited Warranty.

Certifications	NSF 42 & 53 Certified	Minimum Water Temp	33°F (1°C)
Filter Life	3 months / 238 Gallons <sup>†</sup>	Maximum Water Temp	95°F (35°C)
