

ROADWARRIOR™ PRO bundle **LE**

PRODUCTIVITY TOOL FOR BUSINESS PROFESSIONALS

The Visioneer® RoadWarrior™ Pro Bundle

LE is the perfect mobile scanning solution for business professionals who need to scan a wide variety of documents, in the office or in the field.

Scanning On The Go

With the RoadWarrior Pro Bundle LE, you can scan your receipts, business documents, forms, magazine articles, newspaper clippings and even photographs – fast. This limited edition compact scanner/software bundle is versatile enough to pack up easily into a laptop bag, and is USB powered, so you can scan anywhere – even when AC power is unavailable. It will handle any document up to 8.5" (216 mm) wide and 32" (813 mm) long and convert to PDF, JPG and most popular file formats.

You will see clear and sharp scans of any document you insert, in color or black and white. Any real world document will not be a problem for the RoadWarrior Pro Bundle LE because Visioneer Acuity for PC and our Scan Utility for Mac enables the scanner to instantly improve the visual clarity of every scanned image. This smart software will recognize your highlighted notes and will apply filters that separates type out of the background. Even that taxi receipt which was folded in your pocket will become a clear and readable PDF file. You will have perfect scans from imperfect originals.

If you need the documents archived, save them in filing cabinets, but really what's important is the information on those papers. RoadWarrior Pro Bundle LE includes a powerful suite of bundled software designed to help you organize and find the information important to you.

For PC

Once all of your papers are scanned and organized, you can easily send them and share the valuable information they contain with your team, clients or headquarters. When you scan documents into a searchable PDF format, that information can be shared with anyone and quickly found later when it is needed. Much easier and faster than sorting through that stack of crumpled papers in the bottom of your briefcase! So, what are you waiting for? This is one travel companion that you want with you on your next trip.
