

Small Clip, Handy Storage

USB Flash Drive UV140

ADATA UV140 USB3.0 Flash Drive

The ultra-light UV140 USB3.0 flash drive comes with a unique bookmark clip and features a capless, compact appearance combined with a USB3.0 high-speed interface to provide greater convenience, efficiency, and ease of use. With the UV140, it's easy to take life to the next level!

Ingenuity and Convenience in Your Hands

Designed with a bookmark clip at its tip, the UV140 can be clipped onto folders, books, lanyards, and more. Portable and convenient, the UV140 makes it a breeze for users to achieve success.

Light and compact, flexible and high-quality

The UV140's matte texture material is scratch-resistant, smudge-resistant, and fingerprint-proof. At a mere 4.3mm in length and 8mm thick, it is more portable and easier to attach and remove.

Capless design with strap hole makes it easier to carry around

With the UV140's capless design, you never have to worry about losing the cap. You can attach it to a strap with the strap hole at its tip to transform the UV140 into a portable and convenient companion.

USB 3.0 High-speed interface

The UV140 uses the USB 3.0 high-speed bus specification for greatly enhanced transfer speeds and is also fully compatible with USB 2.0. The UV140 is available in 16GB, 32GB, and 64GB models to meet all of your capacity needs.
