Product Description

The Surface Pro 4 is being touted as the perfect laptop replacement, offering an incredible combination of productivity and portability. Valuable mobile investments like that need to be protected. Our designers have worked closely with Microsoft as a member of the Designed for Surface program and created the BlackBelt 2nd Degree Rugged Case. It surrounds the Surface Pro 4 in military-grade drop protection with an integrated hand strap for worry-free carrying. The Type Cover can be easily attached or detached with the case on, and a strategic cutout preserves full functionality of the Surface kick stand.
