

MTM82 Plus

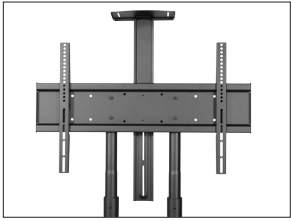

Redefining the term 'mobile device.'

The MTM series utilizes lockable rubber castors to allow you to safely maneuver your TV and AV equipment around any home or office setting. Constructed out of steel, these unique TV stands are simple to assemble and feature telescopic center columns to facilitate easy height adjustments and storage. Every MTM unit is equipped with an adjustable tray and top shelf to conveniently house your devices, and includes integrated cable management for an exceptionally tidy setup.

- UPC: 800152716091

FITS VESA SIZES UP TO 800X500

Designed for flat panel TVs measuring 50" to 82", the MTM82 Plus' mounting brackets fit most VESA sizes from 200x200 to 800x500.

ADJUSTABLE MIDDLE TRAY

The MTM82 Plus includes an adjustable middle tray to conveniently carry your laptop, PVR or any other device weighing up to 10 pounds (4.5 kilograms).

SIMPLE HEIGHT ADJUSTMENT

Height adjustments can be made via two buttons located on the mount's center columns. At 2" increments, place the center of your TV 53" to 65" from the ground for optimal viewing.

CONVENIENT TOP SHELF

The top shelf is ideal for placing a camera, making the MTM82 Plus a perfect display unit for web conferences.

SLEEK CABLE MANAGEMENT

Keep your cables organized and out-of-sight with integrated cable management.

QUICK RELEASE WHEEL LOCKS

Ensure your equipment remains stable with four individual wheel locks. Simply step down on the foot pedal to enable the locking mechanism and flick up to release.
