

GKB704L-BK

Kaliber Gaming HVER Aluminum Gaming Keyboard - Black/Gray

Packed with gaming features and good looks, HVER is designed to provide everything gamers need at a price that won't break the bank.

Gaming Keyboard with Hover Key Design

Kaliber Gaming by IOGEAR is proud to announce the newly designed HVER Aluminum Gaming Keyboard. HVER gets its name from the open frame design with elevated keys that appear to "hover" above the brushed aluminum chassis. Packed with gaming features and good looks, HVER is designed to provide everything gamers need at a price that won't break the bank. HVER's plunger key design provides a solid stroke with that positive feel when engaged- similar to that of a mechanical keyboard. The HVER features premium double injected keycaps for durability and delivers a lifetime of performance without the key tops ever wearing off. To deliver an exceptional gaming experience, the HVER features 26 anti-ghosting keys, Windows key lockout and a 3-color LED backlighting. HVER comes in two flavors, Imperial White and Black/Gray.

3-Color LED Backlight

The HVER Aluminum Gaming Keyboard adds a bit of flare with functionality through the dedicated lighting button. The LED key lets you set your choice of LED backlight colors Aqua, Green or Blue, or select all three and the backlight will slowly pulse while rotating between them. Multiple dimming levels make it easy to set the proper key illumination when gaming in low light settings.

Plunger Key Design

The HVER features an innovative key structure using low-friction POM plungers that do away with the mushiness, common to membrane designs. The result is a super-smooth, positive keystroke engagement, similar to the feel of a mechanical keyboard.

- Brushed aluminum chassis provides a solid, flex-free platform
- 26 Anti-Ghosting keys so you never miss a keystroke!
- 3-Color LED backlight with adjustable brightness
- Double injected keycap characters never fade
- Windows key lockout
- Plunger key design offers a solid tactile feel
- Weighted base for added stability

Requirements

- Windows® 10, Windows® 8.1, Windows® 8, Windows® 7, Windows Vista®
- USB Port

Package Contents

- 1 x GKB704L
- 1 x Quick Start Guide
- 1 x Warranty Card

Specifications

Function	GKB704L-BK	Dimensions	GKB704L-BK
