

AVerCharge E36c

36 Device Economy Charging Cart

Clear-cut power and cable management

Devices are easily cabled and fully charged free of any program setup or circuit overload! Simply connect E36c to an outlet and it will automatically circulate charges through each row of devices.

Easy on the pocketbook

Quality device management does not have to equate to big spending. E36c provides all your charging needs at a fraction of the cost.

One cart fits all

E36c easily supports 36 Laptops, Chromebooks, or Tablet devices with screens up to 15". Need to charge your own laptop while charging your students' tablets? Sure, why not.

Sleek and classy

Internally spacious enough to store 36 devices yet sleekishly designed externally to fit in the most confined spaces. Ideal for any tight areas!

Maneuver with finesse

E36c's compact design and 5" swivel casters make it easier to transport devices and provide a smooth mobile experience even in the most crowded corridors or smallest spaces.
