## **40" Pro BRAVIA Built-in Wi-Fi® with Full HD Display (39.5" diag)**

Expand your world of entertainment. Make your content run with stunning clarity that goes beyond Full HD. With X-Reality PRO™, every picture is more refined from top to bottom, whether you're watching, streaming or playing.

### **Bullets**

- Stunning Full HD with the clarity and sharpness of X-Reality PRO™
- Stream YouTube™ and more with built-in Wi-Fi®<sup>3</sup>
- Living-room friendly, slim design
- Keep wires out of sight with discreet cable management
- Precise motion clarity with Motionflow™ XR 240
- Enjoy pure, natural audio with smooth reproduction

### **Features**

#### **X-Reality PRO™: a cleaner, more refined picture**

Enjoy outstanding clarity, sharpness and picture quality with everything you watch. Our combination of noise reduction technologies sharpen every scene, so the picture gleams with clear detail.

#### **Enjoy stunning Full HD 1080p**

Experience the detail of Full HD 1080p across all your content. From HD content to television sources, you can see it all in perfect clarity on the big screen with this Sony display.

#### **Great entertainment and apps wirelessly with built-in Wi-Fi®**

Link up easily to your network. With built-in Wi-Fi®, you're free to go online and browse movies, enjoy video channels like YouTube™ and access services like Netflix and Hulu<sup>3</sup>. Best of all, you can stream entertainment from your wireless network and the Internet and download a variety of apps without the clutter of cables.

#### **Enjoy digital content from any USB**

Enjoy your digital content from any USB stick. Play music, video clips and view photo collections all through your TV with super multi-format USB play. Supporting a wide range of codecs, you can experience ultimate format versatility — simply plug in and you're ready to go.

#### **Incredibly slim**

The screen has a narrow frame, accented with minimal bezels, so you can focus on your entertainment with near edge-to-edge pictures.

#### **Cable management**

Keep wires out of sight. All of your cables can be neatly arranged across the back of the TV and channeled into the stand, so everything looks tidy.

#### **Motionflow™ keeps the action smooth**

TV that keeps up with real life. Sony's refresh rate technology (Motionflow™ XR 240) allows fast moving action sequences to be seen with precise motion clarity.

### Clear Phase™ for smooth, balanced frequencies

Enjoy pure, natural audio with smooth, even reproduction of all frequencies. This TV uses a powerful computer model to analyze and compensate for inaccuracies in speaker response by "sampling" the speaker frequency with higher precision.

### Your smartphone to the big screen

Screen mirroring lets you enjoy content and apps from your smartphone on your Sony TV<sup>2</sup>. Supersize all your memories and enjoy them on the big screen with family and friends.
