Product Description

The iPad has changed the classroom, opening a whole new world of hands-on learning. But those tablets need protecting in case of accidental drops. The SafeGrip Rugged Case wraps the iPad mini™ 4 in tough, padded protection to kid-proof the tablet from damage. A thick, sturdy handle is perfect for smaller hands and also functions as a two-position stand.

Features

- Tough, padded protection against drops and bumps
- Built to survive the shared-use school environment
- Handle is ideal for smaller hands, helps prevent drops, and doubles as a two-position stand
- Full access to all ports and cameras
