

# HARMONY® 950

Remote Control

## FOR POWERFUL CONTROL OF UP TO 15 HOME ENTERTAINMENT DEVICES.

The all-new design has a colour touchscreen that uses gestures like swipes and taps to change channels, fast-forward or rewind, and adjust the volume. The motion sensing, backlit buttons and improved button layout make it easy to find the right button, even in the dark. The replaceable, rechargeable battery offers 20% greater capacity over its predecessor, and set up is quick and simple. There are no confusing button combinations to press or codes to enter. Get things started faster, with less frustration.
