Product Data Sheet

Flushmount Wall Brackets

Overview

Short on space? Make the most of any tight and cluttered wiring closet with a flushmount wall bracket. Perfect for use in SoHo (small office/home office) to enterprise size networks.

Basic Features

• Flushmount equipment vertically against a wall.

• Durable sturdy construction.

• Weight capacity 100 pounds total and verified.

• Square holes/M6 cage nuts accommodate 19" equipment.

• Durable black powder coat finish.

• Available in 3U and 6U versions.

• Integrated cable management tie-down.

• Mounts on 16-inch and 19.2-inch wall stud centers.
