

14" SlipSkin™ Sleeve

TSS932

Overview

Ramp up your versatility and your protection with a case for 14" devices that can be used two ways. This cushioned 14" SlipSkin Sleeve has handles that tuck away into pockets so that you can slip it into another bag or carry it as a thin briefcase.

A front zippered pocket is ideal for holding a charger and small personal items. Great for work, school, or working at the closest café, the sleeve has the flexibility you want and the protection you need in an ultra-slim case that delivers ultra-mobility.

Features

- Hideaway handles allow for multiple carrying options
- Front pocket stores peripherals and office supplies
- Padded laptop compartment with zipper closure secures the device
- Durable metal zipper pulls stands the test of time
- Form-fitting sleeve
- Woven side webbing protects against wear
