

GT600P WALL TAP

Add more outlets to easily power electrical devices and equipment.

The GT600P Swivel Wall Tap from CyberPower expands two grounded outlets into six grounded outlets and rotates for easy access. The Swivel Wall Tap features six standard spaced outlets in two columns of three outlets for versatile arrangement of plugs. Conveniently designed to fit behind furniture and appliances, this wall tap is ideal for small electronics, chargers, and household fixtures such as lamps.

The GT600P Swivel Wall Tap comes with a One-Year Limited Warranty. CyberPower wall taps come in a variety of designs for providing additional outlets.
