# Air Mouse® Mobile With Compact Keyboard

## More Than a Mouse

Works in the air, with your laptop, from your couch and on your desk. The Air Mouse® Mobile combines a mouse with the power of a gyroscope to provide true in-air computer control.

## In the Boardroom or Classroom

Whether giving classroom lectures or business presentations, the Air Mouse® Mobile puts you in command: helping you make your point with powerful MotionTools® software.

## On the Couch

Watch movies, listen to music and browse the internet from anywhere in the room. Enhance your home entertainment experience with the Air Mouse® Mobile.

- **Includes MotionTools® presentation effects software**
