# USB-C Multi-Port Hub

A Mini Docking Station for your Laptop

SMK-Link brings the power of a single connection docking station into a portable size. Whether at home or on the road, the USB-C Multi-Port Hub instantly adds an in-line USB Type-C charging port, an HDMI 4K UHD/HD video port, a Gigabit Ethernet port, a 3 high-speed USB3.0 ports, and SD and Micro SD memory card readers.

Expanding your laptop productivity, the USB-C Multi-Port Hub from SMK-Link Electronics is an all-in-one connectivity peripheral for your Apple 12" Macbook® or other USB-C ported laptop, providing desktop docking station connectivity in a portable size.
