| Cutting capacity (80g/m <sup>2</sup> ) | 14 - 16 sheets             | Height                         | 716,0 mm         |
| Cutting capacity (70g/m <sup>2</sup> ) | 16 - 18 sheets             | Weight                         | 27,5 kg          |
| Intake width                           | 300 mm                     | Colour                         | ANTHRACITE WHITE |
| Container volume                       | 80 l                       |                                |                  |

Technical and design modifications reserved.

Perfect for the workplace. Demanding users appreciate the optimally tuned cutting components and the quiet shredding of documents up to DIN A3 size in continuous operation. The pressure sensitive safety element ensures high levels of user safety. The robust, powerful document shredder is moveable on rollers. Emptying is easy with the removable, reusable waste bag.

- High quality materials and "Made in Germany" quality for security and durability.
- Cutting rollers made of hardened solid steel with lifetime warranty.
- Powerful motor allows for continuous operation.
- Quiet operation minimises noise development in the workplace.
- Low power consumption in standby mode.
- Paper feed with overload protection reduces paper jams.
