

Universal Headphone Stand

.....

Display your high quality headphones with style
while maintaining an organized workspace

Overview:

Aluratek's Universal Headphone Stand is the perfect place to hang your high-quality Bluetooth or wired headphones! Give your headphones a stylish resting place while keeping them safe and within easy reach. Made with the highest quality of aluminum the Headphone Stand boasts a non-slip silicone hook at the top and a round metal pedestal at the base that keeps this stand sturdy and stable.

Features:

- Made of durable aluminum material
- Silicone pad at the hook to hold headphones securely
- Round base for stable foundation
- Space saver keeps desk clean
- Limited 1 Year Warranty

Anti-Slip Hanger

The Universal Headphone Stand protects your headphones from sliding, scratching and slipping off with its anti-slip rubber silicone that is located at the top of the headphone hanger
