BA2 – Bilbao

Indoor Bluetooth Speaker with Optional “Twins” Pairing Mode

DESCRIPTION

Mirroring the iconic fluid design of the Guggenheim Museum in Bilbao, Spain, the TIC Bilbao Indoor Bluetooth Speaker is designed to delight both the eyes and ears. With a unique eye-catching shape and colorful LED indicator base, the Bilbao will enhance the aesthetic of any home and office as a visual and aural showpiece.

Featuring two 1.5” tweeters and a powerful 4” woofer, the Bilbao will fill your living and work space with a full range of pristine sound. A beautifully integrated bass radiator on the back will enhance the deep bass sound that you can both see and hear. With the added convenience of NFC (Near-Field Connection), the Bilbao is compatible with a wide range of audio devices via wireless Bluetooth connection or 3.5mm AUX input.

The Bilbao speaker can be paired with another Bilbao speaker to provide even more powerful sound as a “Twins” stereo system. With a remote control and easily accessible buttons, the Bilbao will enchant all your senses with its beauty, simplicity and convenience.

FEATURES

- An eye-catching modern exterior design with colored LED indicator base
- 20W 2.1 sound system powerful enough to fill most living and work spaces
- Passive radiator to enhance the deep bass sound that you can both see and hear
- Wireless Bluetooth connection with smartphones, tablets, and other Bluetooth-enabled devices
- Supports NFC for extra fast & easy pairing
- Optional Wireless “Twin” Speaker mode (additional speaker required)
- 3.5mm AUX input jack
- Remote control with 2 AAA batteries, power adapter, 3.5mm audio cable, user manual included
