## BD1 – Cookie

### Portable Indoor/Outdoor Bluetooth Speaker

#### DESCRIPTION

TIC Cookie ultra-portable Bluetooth speaker is guaranteed to provide a delicious and fun bite of audio entertainment wherever you go.

Hidden inside its colorful exteriors are two 1.5" drivers, which provide a surprisingly big and clear sound from its tiny body. With an eye-catching cloth grill and embroidered buttons, the Cookie will add colors to your décor or outfit whether you are inside in your dorm room or kitchen or outside on the beach or the ski slope. With its IPX5 water-resistant build, the Cookie can withstand anything nature throws at you and even the accidental drop in the water.

The Cookie includes a magnetic mount on its back and an optional drawstring for convenient on-the-go enjoyment at home or on the road. Its long-lasting 2200mAh Li-ion rechargeable battery will easily provide over 10 hours of playback. With both wireless Bluetooth 4.0 and 3.5mm AUX input, the Cookie is compatible with a wide range of audio devices. It even features an audio out jack so it can double as a Bluetooth receiver for private listening or connecting to your home theater system.
