Fits anywhere. Does anything.

A versatile Thin Client to boost productivity

Surprisingly compact in a 1L fanless frame, the M600 Thin Client can be deployed virtually anywhere – under a desk, behind a monitor or using a range of mounts. It even transforms into an All-in-One with the unique ThinkCentre® Tiny-in-One. Powered by the newest Intel® Braswell processor, it supports up to 3 displays, convenient offers connectivity with 6 USB ports and delivers reduced power consumption compared to the previous generation. The 1L version is fully MIL-SPEC compliant making it tough for rugged environments while the 2L version offers increased I/O support for legacy hardware.

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® M600 THIN CLIENT

Deploys anywhere
Compact 1L form factor fits virtually anywhere, and even transforms into a super-convenient All-in-One with the ThinkCentre® Tiny-in-One.

Fanless design
The fanless Thin Client delivers noiseless performance reducing both dust intake and maintenance.

Boosts productivity
With the newest Intel® Braswell processor, give a boost to your productivity with support for up to 3 displays and 6 USB ports.

Legacy support
The 2L version provides 4 COM, LPT and 2 PS/2 ports for legacy device.

THE LENOVO™ THINKCENTRE® M600 THIN CLIENT IS BEST SUITED FOR

1 Businesses that need a compact, fanless Thin Client for deployment versatility.

2 Businesses that are looking for a Thin Client that delivers multimonitor support and can connect with numerous peripherals via USB.

3 Businesses that want the cost-saving benefit of a Thin Client that can support legacy hardware.
