H4 Series HD Roku TV

Model # 40H4D

I've got endless content and infinite fun

With the **Hisense H4 Series Full HD**

Hisense • Roku TV, you can pretty much watch live and streaming TV content every minute of every day for eternity and never run out. The robust Roku TV operating system combined with Hisense's high-end technologies and sleek TV design gives you great features and tons of content.

FHD 1080p RESOLUTION

FHD 1080p resolution will provide detailed and sharp images.

ROKU TV HIGHLIGHT CONTENT

Access to the Roku Channel Store, which includes more than 4,500+ available streaming channels with 500,000 movies and TV episodes plus sports, music, news, fitness, and much more.

ROKU SEARCH™

Roku Search helps you to find great entertainment across more than 40 top streaming channels including Netflix, Amazon Video, Hulu, SHOWTIME, Google Play and many more. The comprehensive and unbiased universal search helps you discover where movies and TV shows are available to stream and lists results in order of price. It's a big time and money saver.

CONNECTIVITY

3xHDMI, HDMI ARC, USB, 2x2 Dual-Band Wi-Fi

ROKU MOBILE™ APP

Control your streaming experience with your phone or tablet. Search with your keyboard or voice. Send video, music, photos, and more to your TV. Compatible with iOS™ and Android™ devices.

SIMPLIFIED REMOTE AND USER INTERFACE

The incredibly simple remote means you will spend zero time hunting for the right buttons and more time watching TV. An easy to navigate, customizable home screen that places streaming channels alongside your favorite TV entertainment choices, such as a game console, cable box or Blu-ray player.

About Hisense

Hisense is a multinational consumer electronics manufacturer and one of the largest TV brands in the world. The company was established in 1969 in Qingdao, China and its US headquarters are located in Suwanee, GA.

Holding the #3 TV share position globally* and #1 TV share position in China** for 14 consecutive years, Hisense offers an innovative range of technology products that provide significant value to consumers.

Hisense products, including TVs, refrigerators, air conditioners, dehumidifiers, beverage coolers and freezers, are available globally in over 130 countries and regions.

The company is committed to advancing the consumer technology industry across North America and has dedicated R&D centers in Atlanta, GA; San Jose, CA; and Toronto, Canada to enable localized product development and innovation.
