

Toploader Cart

Raise the roof to the newest product in the Bretford line-up, the Bretford Toploader Cart. Purpose-built with multiple access points to conveniently and easily reach devices.

Built to Last

Durable all-steel construction and two-point reinforced locking handle ensure the cart will be around for years.

Polypropylene Dividers

New polypropylene dividers protect devices and reduce weight of cart.

In-field service

New design allows for quick and convenient access to internal components and wire management

Shipping

Ships fully assembled, ready to install devices

Certifications

Ergonomic Handle

The curved ergonomic design of the handle allows the cart to be easily and comfortably navigated from room to room.

Flexibility

40-unit capacity with 1" wide slots, ideal for Chromebooks and Ultrabooks.

Safe

Designed with safety in mind to ensure safe operation, with the entire cart listed to UL 60950-1.

All-Steel construction

Cart is constructed from prime steel, which contains 25 to 35 percent post-consumer recycled content and is finished with powder coated paint.

Locking Casters

Swivel and Lock, sturdy 5" casters allow for easy maneuverability from one room to the next.

Three-Point Protection

Devices are stored behind the safety of a three-point lock mechanism, and included re-programmable padlock.

Efficient

Digital timer system ensures devices can safely charge without overloading circuit breakers, using a single cord from the cart to wall outlet.

Standard Color

Graphite with Aluminum accents

Device Protection

Polypropylene slot dividers help keep devices safe and protected.
