HP t310 G2 Zero Client

Powerful performance. Serious security

Speed through workloads with the HP t310 G2 Zero Client. Our best performing zero client has the high performance you want and the security you need. Plus, deployment and management are simple, getting all your devices up and running quickly.

The performance and features you need
- Reduce lag and finish ahead of deadlines with fast boot and response times, even with 3D applications. Improve productivity by connecting display and accessory add-ons with two additional USB ports and an extra DisplayPort™.

Big security, small footprint
- Reduce the risk of your data getting into the wrong hands. With no data stored on the HP t310 G2 Zero Client, your intellectual property stays safe on your secure server. Plus, the device's small size keeps your work area free of distractions.

No hassle set up and management
- Don't struggle with set up. This PCoIP zero client makes deployment simple right out of the box for VMWare®[2] and Amazon WorkSpaces[1]. Plus, Teradici Management tools[4] make updates and device visibility a breeze.

Featuring:
- Upgrade your graphics options with one 1 DVI port and one added DisplayPort™, plus a total of 6 USB ports for all of your accessory add-ons.
- The HP t310 G2 Zero Client easily connects to VDI or cloud servers, including VMWare® and Amazon Workspaces environments.
- The t310 G2 Zero Client has a new look and feel and now includes built in VESA mounting pattern.

HP t310 G2 Zero Client Specifications Table

Available Operating System	No operating system
Available Processors	TERA2321 PCoIP Zero Client
Maximum Memory	Up to 512 MB DDR3-1333 SDRAM Standard memory note: Transfer rates up to 1333 MT/s
Available Graphics	Graphics integrated on processor
Audio	Stereo audio output using 1/8-inch mini-jack. Stereo audio input using 1/8-inch microphone mini-jack
Communications	10/100/1000 GbE or 100 Mbps fiber NIC; Wake on LAN (WOL) using magic packet; TCP/IP with DNS and DHCP; UDP
Protocols	VMware® Horizon View™ through PCoIP; VMware Horizon® DaaS® through PCoIP; Amazon WorkSpaces through PCoIP
