

DS200

Phone and Tablet Stand

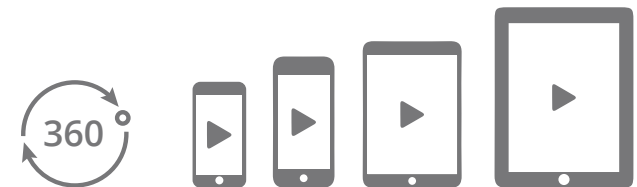

Enjoy hands-free access to your smartphone or tablet with the DS200. Featuring a 15" aluminum arm with five points of rotation, the DS200 allows for easy and unrestricted positioning of your devices. Its spring-loaded clamping mechanism accommodates various screen sizes while ensuring a secure fit at any angle. For added usability, an adapter with a 1/4" - 20 screw is also included, giving you the option to mount a camera or portable projector.

Available in black and white finishes.
