

Lift Your Monitor for Optimal Viewing

SmartFit® Extra Wide Monitor Stand for up to 27" Screens

Kensington's patented SmartFit System helps you position your monitor at the correct height without need for a specialist, reducing neck, back and eye strain. The extra-wide stand has 3 height settings and can fit larger monitors while leaving storage space under the platform to fit a full-size keyboard and maximise your desktop surface area.

Features & Benefits:

- **SmartFit® System** lets you adjust monitor to your personal comfort colour with 3 different height options, by snapping risers into place
- **Stand** positions monitor in line with your eyes to help reduce eye and neck strain
- **Extra-wide Universal Platform Design** fits any monitor up to 27" and 18kg (40lbs)
- **Desktop Optimisation** provides enough storage space for a full-size keyboard with 524mm (20.62") clearance between the legs under the stand

Why Trust Kensington?

For more than 20 years, Kensington has been the brand that professionals choose when they need innovative and comfortable ergonomic solutions for their business or home office. Leveraging a U.S. Army study, the patented SmartFit System is second to none in self-fitting to help alleviate aches and pains at the desk. This product has been designed with high-quality components so it's built to last.
