## Choose Your Style

The MasterBox Lite 3.1 TG mATX Case is your straightforward option for your PC build that doesn't ignore good looks, customization, or performance. A sleek DarkMirror front panel and three custom trim colors (included in the box) offer a great first entry point for customization. The compact chassis with spacious interior features black coating that gives the case a luxury look. Additionally, it comes with an edge to edge **4mm thick tempered glass side panel** to show your internal components. And with support for up to 3 cooling fans and a watercooling system, we ensure your performance will not suffer.

### Features

**DarkMirror front panel** - Stand out and be unique. Your case doesn't have to look boring.

**Customizable trim colors** - Choose from three distinct colors to suit your style, all included in the box.

**Full black coating** - Let your system stand out with an all-black background.

**4mm thick edge to edge Tempered glass side panel** –Show off your build in style, and have easy access to your components in case things go haywire.

**Support for 3 fans & watercooling** – Three 120mm fans and front watercooling support ensure that you don't have to compromise on performance.

**Graphics card support up to 380mm** - You won't ever have to worry about the fit of your graphics card, with support for even the largest, widest cards.
