Shipping

Ships fully assembled, ready to install devices.

Certifications 

Secured

Front door is secured using individually keyed locks.

Adapter Storage

Room for up to 10 AC adapter cables, out of sight, below devices. Easy and convenient cable management.

Small Footprint

A compact footprint (18.25" x 17" x 16.5") capabilities fits almost anywhere. Easily sits on a desktop or mounted to a wall.

Safe

Polypropylene slot dividers help keep devices safe and protected.

Versatile

Maximize your space by stacking two stations for charging up to 20 devices from one outlet. Place them side by side for a matrix of micro charging stations.

Options

Available in one universal model, with AC charging capabilities, in a variety of fun colors.

Safe

Designed with safety in mind to ensure safe operation, with the entire station listed to **UL 60950-1**.

Daisy Chain

Maximize charging capabilities by daisy chaining up to two units for secure charging for up to 20 devices from one outlet.

Convertible

Station can be easily converted into a tray, by simply removing the all-steel CUBE cage, and the door can be reversed to open from either side.

Standard Colors

Charcoal (CK)

Red (RED)

Sky (SKY)
