Marketing Information	The sleek new Executive Series Monitor Arms from DoubleSight Displays are an excellent way to mount Single or Dual Monitors on your desk top. Articulating mounting arms offer a full range of motion including Height, Tilt, Pivot and Swivel adjustments for a truly custom view. In addition to height, users can also move monitors forward or backward, as well as, rotating the monitor and arm up to 360° on the axis. Easy to assemble, each arm features VESA mounting brackets to guarantee compatibility with LCD monitors. Built in Cable Management puts an end to messy cable clutter. Like all DoubleSight Mounting Solutions, the Executive Arm Series carries a Lifetime Warranty.
