

POWERED SPEAKER

Convenient size. Zero compromise.

SYD's compact, single-box design lets you save space without forfeiting sound quality. Its plug-and-play functionality requires minimal setup and gives you the freedom to enjoy your favorite tunes from a variety of sources. Easily stream music via Bluetooth® with aptX™ technology, transmit high fidelity audio from your TV with Optical TOSLINK, or hook up a turntable with SYD's built-in phono preamp. Along with a remote packed with functionality, SYD comes with a low-profile stand that provides 16° of tilt for optimal positioning. Choose between four stunning colors to bring life to your space.

SYD requires external power.
