

PORTABLE SPORTS BLENDER BOTTLE

HEALTHY CUISINE

model HPJ01F

Portable Sports Blender Bottle

Healthy Cuisine's Portable Sports Blender Bottle creates a convenient, on-the-go solution for making a smoothie, juice drink or protein shake wherever you go! The rechargeable, multi-functional blender doubles as a juicer and a sports bottle and it even cleans itself! Simply load the sports bottle with your favorite fruits, veggies or protein powders, hit the button to blend it up, and enjoy!

Forget having to disassemble your blender to manually clean, the durable design makes the bottle completely dishwasher safe. Say goodbye to the clumps in your protein shakes from having to manually shake, have perfectly blended pre or post workout shakes for every workout!

- ✓ **THE HEALTHY ALTERNATIVE** - Perfect for smoothies, juices, and protein shakes.
- ✓ **SIMPLE TO USE** - Only 2 simple steps required to make your favorite drink! Just fill the bottle with your favorite juice ingredients, blend and enjoy!
- ✓ **ON-THE-GO** - Take your blender on-the-go without having to worry about cords or tricky parts.
- ✓ **DISHWASHER SAFE** - The durable design and sturdy BPA free Tritan plastic makes the blender bottle completely dishwasher safe.
- ✓ **BUILT-IN RECHARGEABLE BATTERY** - The portable blender lasts up to 9 uses on a full charge!

Portable Sports Blender Bottle

Simple to Use

The portable smoothie blender only requires 2 simple steps to your favorite drink. Just fill the sports bottle with your favorite ingredients, blend and enjoy!

On-the-Go

Take your blender on-the-go without having to worry about cords or tricky parts. Ideal for making smoothies, juices, protein shakes, milk shakes, or even baby formula! Enjoy on-the-go healthy meals for fast-paced living.

Dishwasher Safe

Forget having to manually clean your blender, when you're finished with your drink; pop the bottle in the dishwasher for easy cleaning. The sturdy BPA free Tritan plastic makes the bottle safe for every day wear and tear.

Rechargeable Battery

The rechargeable blender offers a healthy and economical solution for fast-paced living. The portable blender lasts multiple uses on a full charge. USB charging cable included.

Includes: Sports Bottle, Blender, Flip lid, USB Charging Cable, Quick Start Guide
