Starting at 1.75 kg / 3.85 lbs

FEATURED ACCESSORIES

ThinkPad USB-C Dock (40A90090US)

This universal docking solution ensures a high-performance workstation experience. Meet all your productivity needs, including video, data, and wired network, all while delivering continuous power to your laptop via a robust USB Type-C port.

Lenovo 65W Travel Adapter with USB Port (GX20M73648)

This energy-efficient mobile power adapter charges Lenovo (round tip) laptops while you're on the go. Ultraportable and light, this adapter goes where you do, offering a single USB port that lets you quickly and conveniently charge a mobile device at the same time.

Lenovo USB-C to HDMI Plus Power Adapter (4X90K86567)

Easily connect to an HDMI display and simultaneously charge your system. This sleek and durable USB-C adapter is the perfect complement to your ThinkPad system to maximize productivity and minimize clutter.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your business, not your IT.

Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Accidental Damage Protection (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

Warranty Extensions (1 year base, up to 3 years total)

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
