

Restroom

Odor Control

Customers and employees equate the cleanliness of a restroom with the cleanliness of a business. Poor smelling restrooms give the perception that the entire business is dirty. **Introducing the NEW Oxy-Gen® & Eclipse™ powered 30 day system that not only fragrances but attacks malodors, making foul smells a worry of the past.**

Restroom and Odor Control is now simple by offering 3 matching scents: Lavender Fields, Cucumber Melon and Citrus Grove among our Oxy-Gen® and Eclipse™ product lines providing multiple layers of odor control.

Lavender Fields

A fresh, invigorating scent with fragrant lavender and spicy herbs

Cucumber Melon

A fantasy melon fragrance modified with cool green notes, a hint of citrus and a slightly floral background

Citrus Grove

An intensely fruity perfume with hints of orange supported by warm spices

OXY-GEN[®] Active Air Care System

The Oxy-Gen[®] Powered system produces continuous levels of intense fragrance for 30 days. The cartridges are 100% recyclable at the end of the service cycle and can be safely disposed in any plastic recycling bin.

Oxy-Gen [®] Wall Mount Active Air Care System			
Item	Description	Color	Packaging
