MASTERBOX MB500 TUF GAMING EDITION

MCB-B500D-KGNN-TUF

ARE YOU TUF ENUF?

Marked by the TUF Gaming spirit, the MasterBox MB500 is a perfect addition to any (TUF) setup. A PSU cut out was designed to make the MasterWatt TUF Gaming Edition visible through the glass side panel. Military styling, complete with camouflage, outfits the case as a battle-ready soldier.

A semi-meshed front panel and ventilation holes on top will allow more airflow from the two pre-installed 120mm RGB fans in the front and one 120mm RGB fan in the rear. The thermal performance and aggressive styling of the MasterBox MB500 TUF Gaming Edition make it a perfect choice for Gamers and PC enthusiasts.

The spacious interior and two chamber design allows you to assemble the case with the arsenal of components you need.

FEATURES

TUF Edition: The PSU cut out and TUF paint mark the MB500 ready for battle.

Excellent Thermal Performance: Optimized airflow due to the semi-meshed front panel and ventilation holes on top of the case.

RGB LED fans: Two 120mm RGB LED fans behind the front panel and one 120mm RGB LED fan in the rear are pre-installed to create an amazing lighting effect.

RGB Lighting Control: One RGB controller is included in the accessory pack. If your MB does not support the RGB control function, you can connect the RESET button cable and control the RGB lighting directly from the I/O panel.

1 to 3 Splitter Cable for RGB LED Fans: The RGB Connector Splitter and 4 pin male to male adapters are included.

Certified compatible with: ASUS, Gigabyte, MSI and ASRock motherboards.

4mm Thick Edge to Edge Tempered Glass Side Panel: Show off your build in style through the 4mm thick edge to edge tempered glass side panel.

Full Black Coating & PSU Cover: Let your system stand out with an all-black background.

Cooling Support: Up to six 120mm fans or up to 360mm radiator support in the front and and 120mm in the rear, ensure you don't have to compromise on performance.

Compatibility Support: Support up to 400mm Graphics card, 160mm Tower CPU Cooler and 180 PSU in length.
