

17" Dual Fan Lap Chill Mat®

- Dual USB-powered fans
- Supports laptops up to 17"
- Soft neoprene on the bottom makes it comfortable to use
- 4 oversized rubber feet keep your laptop secure
- Angled design for enhanced ergonomics

The 17" Dual Fan Lap Chill Mat® provides a comfortable and ergonomic work surface to keep you and your laptop cool. The Chill Mat rests on your lap and disperses heat, using dual fans to provide ventilation which can be obstructed if the laptop is used on a pillow or comforter. Simply plug the USB-A connector into the laptop to activate cooling. The ergonomic tilt makes typing easy, while the soft neoprene material provides cushioned comfort on your lap. Four rubber stops on the face of the Chill Mat prevent the laptop from slipping. The open design allows the fans to run quietly, stimulating constant airflow and helps to prevent overheating, so your laptop can run at peak performance.

MSRP	\$49.99
